

MONTS & VERTIGES

Ventoux, Luberon, Coteaux d'Aix-en-Provence are appellations well reflecting the Provence. The Cascavel "Monts & Vertiges" ("Mounts & Vertigo") wines are the expression of our experience and distinctive preference for the selection of terroirs specifically renowned for the quality of their reds, rosés and white wines. A common characteristic of these wines is their freshness, the purity of their aromas simply acquired from vineyards located at slight altitude, in areas known to be cooler than others.
