## Elicio, Elicio, Grenache-Syrah, IGP Méditerranée, Rosé, 2024

IGP Méditerranée, France

#### **PRESENTATION**

Fresh, fruity, and approachable in every sense, Elicio wines resonate with the times and our desire for immediacy. They come in screw cap bottles for their ease of use, but primarily for their effectiveness in keeping intact the flavors revealed by the meticulous winemaking carried out by Alexis, our Winemaker.

#### THE VINTAGE

This year has been particularly unpredictable in terms of weather. From the pressure of spring diseases to summer droughts affecting yields, and heavy rains in September, our partner winegrowers have faced significant challenges. Thanks to their expertise and adaptability, they succeeded in harvesting grapes of outstanding quality, paving the way for an exceptional vintage in the Rhône Valley.

#### **TERROIR**

Marls, pebbles and limestone.

#### WINEMAKING

Harvested at dawn, grapes are destemmed and pressed directly with a short maceration. Directly put into vats, this winemaking process favors aromas and freshness. Low temperature alcoholic fermentation. Then the wines rest on fine lees at cold temperatures before final blending.
