PRESENTATION

More than just a label, 'Sustainable Winemaking' is above all a philosophy. For generations, our winemakers have been involved in protecting the vineyards and preserving the landscapes. Produced from carefully selected plots in the heart of the Ventoux appellation, this wine expresses the richness and flavors of an exceptional nature.

Contains sulphites.

SERVING

Serve at 10-12°C.

A fine tension and a slightly acidulous final give the required balance. Serve quite fresh.

VISUAL APPEARANCE

Beautiful bright golden yellow colour with golden tints.

The nose reveals delicacy with a floral attack and white fruit aromas reinforced by a beautiful freshness.

ON THE PALATE

On the palate it's full and tasty with lovely notes of white fruit (wild peach, apricot and pear)

FOOD PAIRINGS

Salads, white meat and fresh cheeses.
