## THE VINTAGE

A challenging year! Facing extreme drought conditions, grapes have shown an impressive capacity of resilience. Post-harvest, the initial tastings have alleviated all potential concerns. In terms of quality, 2022 is a top vintage.

#### **TERROIR**

Vines are located on one of the best area of the appellation: the "Garrigues de Vacqueyras", on clayey soils ensuring proper water supply.

#### WINEMAKING

Hand-harvested at optimal ripeness. Part of the grapes is vinified in whole bunch. Extended maceration for 25 to 30 days. Malolactic fermentation takes place in oak barrels.

#### **AGEING**

It ages for a year, partly in vat and partly in new oak barrels, to enable the different grape varieties to marry and produce the best possible results.

#### **VARIETALS**

Grenache noir 54%, Syrah 35%, Mourvèdre 11%

#### 14.5 % VOL.

Contains sulphites.

## **SERVING**

Enjoyable now, but will also age for up to 10 years. This wine is best served at room temperature and should be decanted an hour beforehand, especially if served young.

## **TASTING**

A wonderfully aromatic bouquet with overtones of black fruit, blueberries, and spice, accompanied by hints of vanilla. Lovely balance on the palate with a silky texture and velvety tannin. Round and full-bodied. The finish is long with notes of fruit and licorice.

## FOOD PAIRINGS

A great wine that is well-suited to veal sweetbreads fried in olive oil, roast beef with morel mushrooms, coq au vin, and scrambled eggs with truffles.
